

August 5, 2011

Dear Parents and Students,

Thank you for the continued privilege of servicing your school. Intuition's main objective is to provide quality products and service to all it's customers.

In this challenging economic environment, we have tried to maintain price points in the last several years, but as of this year our vendors have increased prices more than once due to shipping and manufacturing cost. Thus, we have been forced to increase our prices. As of August 15th, new prices will take into effect. New order forms are available at the school office upon request. Please disregard all old order forms. As always, orders may be placed throughout the year and deliveries will be made to the student's classroom.

I will be available at the open house if you have questions or need further assistance and look forward to serving you in the upcoming school year.

Sincerely,

Kaylene K. S. Kamada
