LET US PRAY...

Today, KCS joined in a statewide movement to encourage people to pray. After chapel, our student body joined hands to pray together as a school. Then our preschool and elementary students continued the prayer theme in their classrooms while our middle school students covered our campus and community in a prayer walk. We prayed mightily for God's blessing on our KCS 'ohana, our community, our state, and our nation!

Thanking Him...

There was an abundance energy and warmth in the Worship Center this morning as the entire student body as well as KCS families joined in our Thanksgiving Chapel. Grade 5 shared the song "I Sing Praises" in Hawaiian, while Grade 3A performed an energetic Latin American song. Mr. Hubbard shared the message this morning, comparing the bland ingredients of biscuits to what God can do with the events of our lives to make something good and wonderful in the end. May we give thanks IN everything this Thanksgiving season.
