God loves all His children and wants each of us to grow to be more like Jesus Christ. As we get to know and become more like Christ, we experience some of His characteristics. KCS would like to celebrate these qualities that are evident in each child. These characteristics can be summed up as the "fruit of the Spirit." Galatians 5:22 lists such characteristics as love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. Each month, teachers will select student(s) that exhibit one of these characteristics in his or her interactions with classmates and adults. We will be celebrating this accomplishment with a certificate presentation during chapel on the first Friday of each month.

Parents hit the books!

It was back to school for KCS parents, as they got a taste of the KCS Middle School experience during our Visitation Days this week. One parent was invited to spend the entire school day with their child, from morning devotions to lunch recess and closing homeroom. It was a draining experience for most, as parents were challenged with science experiments, grammar exercises, history lectures, and math games throughout the day. Overall, students, parents, and teachers seemed to enjoy the unique interaction of these days!

Chapel Specials

Friday, October 9

Families are invited to join us for our weekly chapels in the Worship Center.

Support the Student Council by saving your plastic bottles and cans (no glass). A drop off date will be announced soon. Please be sure your recyclables are dry. It would also be helpful if cans and bottles were bagged separately. Thanks for your support!
