All In a Day's Work...

Almost 225 people gathered on campus bright and early on Saturday, October 22 to participate in Kahi'au. The goal of Kahi'au was to serve the community through various clean up and beautification projects as the state prepares for the APEC conference next month. After receiving instructions and gathering equipment, volunteers were split up between six work sites in Kaimuki. Our PTG team, under the leadership of Mr. Seria, headed to Kapa'olono Park, picking up trash on the sidewalks along the way and at the park. Others from the KCS 'ohana joined teams at Kaimuki and Petrie Park. Meanwhile, a team back on campus prepared refreshments for lunch. Volunteers were happy to be involved in such a large scale effort and were thankful that their work made a visible difference in our Kaimuki neighborhood. Mahalo to all that volunteered their time and talents!

Breaking New Ground

It was "demolition day" on Monday, as the Kingdom Builders' crew tore down the former Keiki House and Office Annex. Spectators watched from a distance, in awe, as the area was quickly flattened and the debris hauled away. It was a historic moment that signified the start of construction on our new classroom building. Earlier today, a groundbreaking ceremony was held on site. Along with KCC staff and other key individuals, representatives from KCS administrative staff and the Student Council participated in this event. The project was prayed over by Pastor Ron Arnold. We look forward to a grand opening event next summer!

ABCs Of Student Success

A is for ATTENDANCE.

Attendance is a critical factor in any child's school success. Children should attend school every day, except in cases of illness or emergency. It is impossible to replace the learning that happens on any school day with make-up work. Regular attendance and promptness are good habits that are expected and appreciated at all levels of schooling and in the workplace. This year, make school a priority in your household. Commit to excellence in attendance. Your child's future depends on it!

STUDENT COUNCIL Service Project

In our efforts to support the River of Life Mission in Honolulu, we will be collecting the following items for distribution throughout the months of November and December:

- Combs/hair brushes
- Travel size shampoo and conditioner
- Toothbrushes/toothpaste
- Bath towel/washcloths
- Travel size moisturizer
- Socks for men and women
- Slippers

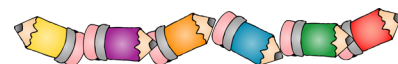

Donations can be delivered to the classrooms from Tuesday, November 1 thru Friday, November 4. You may also drop the items off during our Recycling Day on Wednesday, November 3. Our Student Council officers and representatives will collect the donations at your car. The items will be delivered by the volunteers from KCC who frequently serve at River of Life.
