

Kaimuki Christian School

Educating each child to his/her God-intended potential

2023-2024 Kyle-Lenn-Joey Scholarship Information

Kaimuki Christian School offers financial aid, through its Kyle-Lenn-Joey (KLJ) Scholarship Fund, for students entering Preschool through Grade 12. The KLJ Scholarship Fund started in loving memory of three boys who died of cancer while attending KCS. Since the boys loved their time at KCS, their families wanted to preserve their memory through a Scholarship Fund. Scholarships are awarded primarily on the basis of financial need and funds availability. Involvement in the life of the school (PTG fundraising, KLJ Walkathon, and volunteering) are also considered.

FACTS Grant & Aid Assessment will be conducting the financial need analysis for Kaimuki Christian School for the upcoming 2023-2024 school year. Families applying for financial aid will need to complete an annual online application by March 15 and submit the necessary supporting documentation to FACTS Grant & Aid Assessment by April 20. FACTS Grant & Aid charges a nonrefundable application fee of \$35 per family. Award notification letters will be sent out by the first week of June.

Timeline

Eligibility

KCS administers financial aid to eligible families who request assistance with financial resources to fund a portion of the cost of tuition. Scholarships are awarded to students on the basis of financial need and generally do not exceed half the cost of tuition. Those who desire to continue financial aid must reapply each year.

New Students: Scholarship decisions will be made only after the student has applied to KCS. KCS will not mail out notification letters to families who have not applied their children. All financial information provided is strictly confidential and has no bearing on acceptance.

Single Parents: When parents are separated, divorced, or never married, the assets and incomes of both financially responsible parents are considered and should be included in the financial aid application. If a parent has remarried, their spouse's financial situation is considered as well.

International Students: International students requiring an I-20 form are not eligible to apply for financial aid.

How to Apply

Apply online by logging in to your FACTS account at <https://online.factsmgmt.com/signin/3CFYW> or accessing FACTS Grant & Aid through the single sign-on process during online enrollment. Once an online application has been completed, the following information will need to be sent to FACTS to complete the application process:

- Copies of your 2022 Federal tax forms, including all supporting tax schedules, for both parents.
- Copies of your 2022 W-2 forms for both parents.
- Copies of supporting tax documents for business income/loss from any of the following: Business, Farm, Rental Property, S-Corporation, Partnership, and/or Estates and Trusts.
- Copies of supporting documentation for household nontaxable income such as Social Security Income, **Welfare, Child Support, Food Stamps, Workers' Compensation, and TANF.**
- All supporting documentation can be uploaded in pdf format online.

If you have questions or concerns about the application process, you may speak with a FACTS Customer Care Representative at 866-441-4637.

Frequently Asked Questions

What if I missed the deadline?

In order to honor those who have submitted completed applications in a timely fashion, late applications will not be accepted after the April 20 deadline.

How are scholarships determined?

FACTS calculates the award based on several factors such as income, assets, debts, and number of children at KCS. For returning students, involvement in the life of the school (PTG fundraising, KLJ Walkathon, volunteering, etc.) are also considered. The Scholarship Committee reviews the application and determines the award amount.

What amount of financial aid can I expect to receive?

Not all families qualify for financial aid. The size of the award varies according to income, assets, debts, and other factors such as help from outside sources (e.g. grandparents, PKS or Kipona Scholarships). Scholarship amounts typically do not exceed half the tuition amount.
