March-20

Monday	Tuesday	Wednesday	Thursday	Friday
--------	---------	-----------	----------	--------

Always look for the SHAKA to choose Local First

Keep an eye out for the Scratch Icon for a balanced meal

Mindful Tip: Our bodies are made up of more than 60% water, so staying properly hydrated is critical to our health. It aids in skin health, kidney health, fluid balance, body temperature regulation, just to name a few. It's important to know what you can drink (or eat!) to stay hydrated and to be able to recognize the signs of dehydration
